

Hello everyone,

It is with a very heavy heart that I let you know about the passing of a true stalwart and great person, former Democratic State Representative and former Poulsbo City Councilwoman, Sherry Appleton. I got to know Sherry shortly after I moved to Poulsbo in 1979. She was a fighter for all the good causes – a liberal in the truest sense of the word. She supported women’s rights, environmental protections and getting good people elected to office. Sherry could always be counted on to speak up when it was needed and she was never afraid to stand up for what she thought was the right thing to do. That was one thing that I really liked about Sherry – you could always count on her to be there through thick and thin, speaking up as needed. She will be sorely missed by those who knew her. Sherry was truly one of a kind. Our world would be better off if more people were as steadfast and principled as her.

My deepest condolences to her family and friends. May her memory be for a blessing,

Val
